Saddle Up® for St. Jude

Sharing the journey, sharing the hope.

Your participation is vital to the success of this fundraising event. The donations you collect will help fund the lifesaving research and treatment at St. Jude Children's Research Hospital® – one of the world's premier pediatric cancer research centers. From the staff, parents and patients of St. Jude – **Thank You!**

WHY PARTICIPATE?

- Saddle Up for St. Jude allows you to help desperately ill kids of St. Jude Children's Research Hospital by raising money for research and treatments.
- St. Jude depends on donors to ensure that families never pay for treatment not covered by insurance, and no child is ever denied treatment because of the family's inability to pay.
- The daily operating cost for St. Jude is \$1.6 million, and public donations provide more than 70 percent of our funding.
- St. Jude has treated children from all 50 states and from around the world.
- Cancer kills more children each year in the U.S. than any other disease.

With the money raised from Saddle Up for St. Jude, we can help kids like Darcy.

WHO YOU HELP

Darcy and her siblings love riding horses. At just 4 years old, Darcy was an accomplished rider and roper and had already earned a championship belt buckle for her skills.

But life took a turn in late January 2009, Darcy was found to suffer from a deadly brain tumor known as ATRT.

Darcy underwent surgery to remove the tumor and her parents started to research the best options for her care. That search led them to St. Jude Children's Research Hospital, and they obtained a referral.

At St. Jude, Darcy received chemotherapy and radiation. Her family appreciates everything St. Jude provides for families, from housing to grocery cards.

Darcy visits St. Jude for regular checkups, and her latest set of scans were clear. She is thriving at home and is also back to riding horses. She started slow on an old, gentle horse, but now she rides a fast one again.

HOW DO YOU PARTICIPATE?

- 1. **Set Your Goal**. Four sponsors who donate \$20 each would raise \$80 enough to earn you a *Saddle Up for St. Jude* lapel pin, T-shirt and bag. \$80 could also cover the cost of one complete blood count test for a St. Jude patient.
- 2. **Get Sponsors.** Ask friends, relatives, neighbors, business associates and local businesses to sponsor you. Set up your fundraising page on *stjude.org/saddleup* where your sponsors can show their support with credit card donations. You can also customize email templates to request donations and post links to your Facebook and Twitter accounts.
- 3. **Collect Donations**. Please note your Coordinator's deadline to turn in donations. Convert all cash to checks or money orders made payable to St. Jude Children's Research Hospital. Return this Sponsor Form Envelope along with donations and the Permission Slip to your Coordinator by the deadline.
